**Correction to the notice of meeting for the Combined General Meeting of 28 February
2024**

A clerical error was made in point 6 of the draft twentieth resolution of the Combined General Meeting of 28 February 2024 published in the Notice of Meeting (page 32) on the Company's website.

It should be replaced by "**6. Resolve** that this authorization is granted for a period of 26 months and invalidates any previous authorization of the same nature granted by the General Meeting, to the extent, if any, of the unused part of this authorization", the rest remaining unchanged.
